2023 Event Calendar

Bags Fest (February 4, 2023)

In February 2022, Fond du Lac Festivals hosted the premier winter cornhole tournament known as Bags Fest. It was considered the largest winter tournament this side of I-94. 45 teams participated and feedback was extremely positive. Due to its popularity in Year 1, this event has an opportunity to expand with a kids division, singles and mixed doubles divisions, and other activities.

Sturgeon Spectacular (February 10 - 12, 2023)

In 2015, this celebration of winter and really big fish was created. Sturgeon Spectacular has been growing in popularity ever since and has become one of the most unique winter festivals in Wisconsin. It packs free, family-friendly activities into the 2nd weekend in February while the sturgeon spearing season kicks off. Indoor and outdoor, family-friendly activities are spread throughout downtown Fond du Lac and Lakeside Park. Each year, we look to create fun, new events that all ages will enjoy with The Wisconsin State Snow Sculpting Championship and Outdoor Curling Funspiel highlighting the weekend.

Walleye Weekend (June 9 - 11, 2023)

Walleye Weekend has been a tradition in Fond du Lac since 1979 when it started with the Mercury National Walleye Tournament. Since then it has grown to be the region's most popular festival with family-friendly activities and shows; including tournaments, great food, and live entertainment across three stages. This event serves as the largest annual fund-raiser for many area nonprofits, raising over two million dollars over the past 10 years. Other highlights include the Walleye Run/Walk, Family Fishing Tournament, and the Walley-ball Softball Tournament.

Fondy Fall-toberfest (October 21, 2023)

Fond du Lac Festivals looks to introduce a festival that combines fun fall activities with German traditions that the whole family can enjoy. We hope to tap into the beauty of Lakeside Park and create a fall destination for locals and visitors to enjoy in late October and create a unique fall festival that our community can call our own.
